## There's a whole world out there to explore...

but your adventures only last as long as your gear. That's why we created

Rust Protection that's Eco: plant-based and non-toxic. Gear Hugger works to keep your stuff going strong, helping turn our throw-away society into an upkeep culture.

USES

METAL TOOLS

MOTOR VEHICLES

PLUMBING FIXTURES

FENCING & CHAINS

MARINE EQUIPMENT

### HOW IT WORKS

**REMOVES**  
rust from metal surfaces, equipment & parts

**PRESERVES**  
gear with a long-lasting, non-flammable barrier

**PROTECTS**  
against rust, corrosion and displaces moisture

### DIRECTIONS FOR USE:

- 1 | Shake can, spray product directly on rusted surface and let it sit for 10 minutes.
- 2 | To remove rust and debris, scrub the area using a brush and wipe off with a cloth. Repeat as necessary.
- 3 | To protect against rust and corrosion apply an additional coat and allow the product to dry on surface.

\*Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120 °F. Keep out of the reach of children.
