

# GEAR HUGGER BIODEGRADABLE BIKE WASH

Biodegradable Bicycle Shampoo

## DESCRIPTION.

Gear Hugger Bike Wash is a biodegradable bicycle shampoo, formulated with natural extracts rich in saponins and eucalyptus essential oil, promoting the formation of a uniform foam that helps remove dirt in addition to having disinfectant properties.

## PROPERTIES AND BENEFITS.

- Safe against corrosion and oxidation.
- Easy rinsing.
- Maintains the original shine of the paint.
- Does not leave water marks.
- Pleasant smell.

## CHARACTERISTICS.

	ASTM METHOD	TYPICAL VALUES
Appearance	Visual	Slightly Opaque
Color	Visual	Colorless
Specific Gravity at 15.6°C	D 4052	1.0180
PH @ 100%	D 1287	8.35
Cleaning effectiveness factor	G 122	Greater than 94%

## APPLICATION.

- Rinse the surface with water to remove dust and grime.
- Spray Bike Wash™ on all surfaces of the bike, ensuring even coverage.
- Let it rest for a few minutes.
- Wash with a soft brush or sponge, gently rubbing stubborn stains.
- Rinse the bike starting from top to bottom.
- Dry the surface completely using a microfiber towel or cotton flannel.
- Finally, lubricate your chain with one of our plant-based Gear Hugger™ products.
